Re: Customer Program

CC:

The attached brochure is for the Tall Ships, which will take place in Boston this summer. I wanted to inform you that we have a number of physician programs planned around this event. We're in the early stages of planning but have some programs already confirmed. We intend to maximize this opportunity with the Tall Ships. On July 12th we will have an IBS evening program from 6:30 p.m.-9:30 p.m. We will have some of the biggest Gastroenterologists from New England in attendance. On July 14th we have two Wellbutrin SR Pride programs. Dr. James Hudziak, a big supporter from Burlington, VT, is confirmed to speak. Lafman Morgan from Wellbutrin SR marketing will also be attending.

My MDM, Tom Nichols, also extended Bob Ingram an invitation while in Las Vegas. I hope his schedule allows him to make the trip. Chris, I hope your travel plans and work schedule allow you to attend. We are trying to create innovative and creative programs to maximize turnout. I will keep you informed as details become available.
